“If I Could Be Where You Are”
by Enya

Where are you this moment?
Only in my dreams

You're missing, but you're always
A heartbeat from me

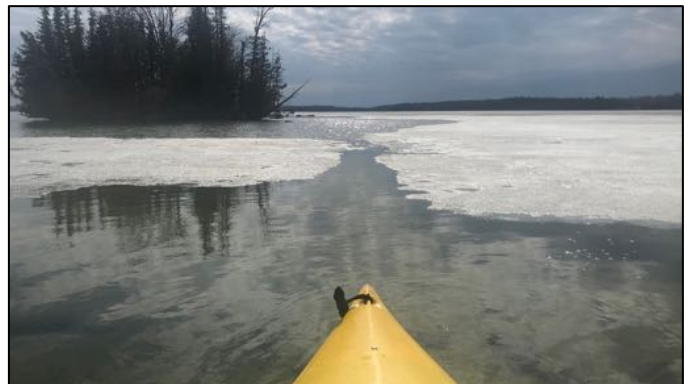

I'm lost now without you
I don't know where you are

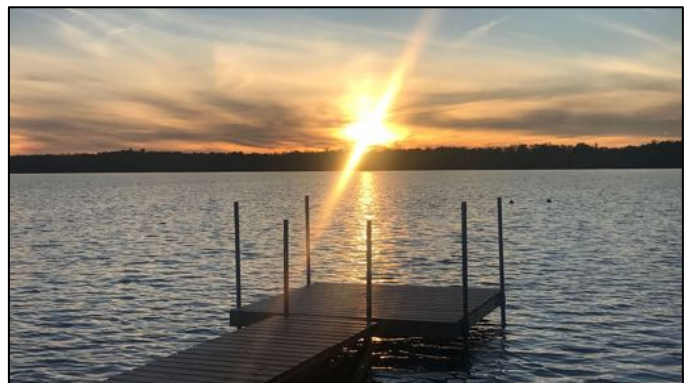

I keep watching, I keep hoping
But time keeps us apart

Is there a way I can find you?

Is there a sign I should know?

Is there a road I could follow

To bring you back home?

Winter lies before me
Now you're so far away

In the darkness of my dreaming
The light of you will stay

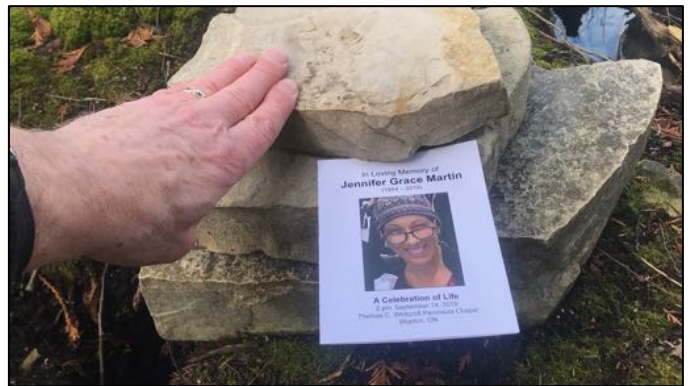

If I could be close beside you

If I could be where you are

If I could reach out and touch you

And bring you back home

Is there a way I can find you?

Is there a sign I should know?

Is there a road I could follow

To bring you back home
To me?
