

Good But Not Religious (GBNR)

JUNE 2021 - A monthly update on Keith Martin's work as a nonreligious chaplain and educator online

Similar to **The Ten Commitments : Living Humanist Values**, shared in April's GBNR Update, here is how **Unitarian Universalists** sum up their principles. Keith has spoken 5 times to 3 Unitarian congregations in

Ontario, and always introduces himself by saying he could easily be a Unitarian, if not for his decision to be nonreligious. Most SBNR, GBNR, humanists and progressive religious people try to live by these principles.
